### Thur 27 Jun & Fri 28 Jun - At Sea

Off to the cool water. Take advantage of

your day at sea to swim laps in the spacious pool or cool off in the lagoon on board and relax in the water. The whirlpools are also a wonderful place to pass the time in the open air.

**Sat 29 Jun – Trondheim**

The cradle of Norway. At the mouth of the Nidelva River on the beautiful Trondheim Fjord, you will get to know one of the most beautiful cities in the country. Visit the famous Nidaros Cathedral, whose construction began as early as 1070. The royal residence Stiftsgården is a jewel of Norwegian architecture. You can enjoy an inspiring view of the city and the surrounding area from Kristiansten Fortress. Around the old colourful wooden houses of the Baklandet district you can stroll to your heart's content. Beautiful!

**Sun 30 Jun – Alesund**

Along the branching fjord stretch the magnificent, partly colourfully decorated Art Nouveau buildings of Ålesund. Discover the picturesque town and its maritime traditions during a stroll on foot or by boat. If you want to keep track of everything, climb the mountain Sukkertoppen on the island of Hessa on enchanting narrow paths. From here you have a unique view over the fjord, the city and the Sunnmør Alps. This is pure nature.

**Mon 01 Jul – At Sea**

Use the day off to really work out with sports

or to clear your head during a yoga class. With our wide range of sports on offer, you have the opportunity to train individually according to your wishes and goals – whether in the gym, at one of our sports courses or through individual coaching.

**Tue 02 Jul – Disembarkation & Return flight**

Enjoy your last breakfast on board, as your scenic holiday comes to an end. A private coach will take you to Bremen airport to check-in for your return flight with transit.

### Fri 16 Aug - At sea

Today your first day at sea awaits you on board. Discover the large selection of restaurants and bistro and embark on a culinary journey around the world you are spoiled for choice as to which restaurant or bistro you would like to try first.

### Sat 17 Aug - Alesund

Alesund is a small but lively city with a unique modern feel. A rebuilding effort following a major fire in 1904 gave the city its distinctive Art Nouveau. From the city park, walk up the 418 steps to the city's peak, Aksla - you'll be rewarded with a gorgeous panoramic view on the city, the islands and the rugged Sunnmørsalpane mountain range. Head to Atlanterhavsparken, a 4-million-liter aquarium just three kilometres from the town centre. The place is teeming North Atlantic undersea life. Kids can feed the fish at the touch pool, and there are also penguin and seal exhibits. Admire the coastal scenery from the walking trails that start here.

### Sun 18 Aug - Geiranger & Hellesylt

Jaw-dropping views of the Norwegian fjords, welcome you to Geiranger. Considered the most beautiful in Norway, the Geirangerfjord astonishes with its power and beauty. There are various ways to experience this natural wonder: hiking, kayaking, biking or enjoying the views from a high mountain summit. The fjord stretches inland some 10 miles, surrounded with towering mountainside and fed by gushing waterfalls, including the Seven Sisters, the Sutor, and the Bridal Veil. A short stop in Hellesylt after the ship calls in Geiranger.

### Mon 19 Aug - At Sea

Between scenery scoping and memory making, you will have the time of your life while sailing from one breathtaking location to another.

### Tue 20 Aug - Tromso

The classic North Pole expeditions started from here. Today, the northernmost university city in the world offers a lively culture and restaurant scene. Visit the Arctic Cathedral, one of Norway's most idiosyncratic churches. Excursions to the surrounding area are also worthwhile. Idyllic fishing villages and bustling bird islands await here. If you get cold, this is the ideal place to toast the national drink, aquavit. Skål!

### Wed 21 Aug - Honningsvåg

Situated above the Arctic Circle, Honningsvåg is surrounded by fjords and waterfalls, offering views across the sea to the Svalbard Islands and the North Pole. First settled more than 10 thousand years

ago, today you'll find a modern downtown area around the harbour. Shops sell local crafts, including traditional Sami jewellery, as well as sleek Scandinavian home decor. Jump onboard a Norwegian fjords cruise and watch the indigenous Sami people herd reindeer through the area, and explore the history of the area at the Nordkappmuseet.

**Thu 22 Aug & Fri 23 Aug – At sea**

Enjoy more beautiful days onboard. Relax and enjoy the beautiful amenities the ship has to offer. Sip a nice long drink listening to the waves or immerse yourself in an exciting thriller or romantic book whilst relaxing on deck.

**Sat 24 Aug – Flam**

Flam is a small Norwegian tourist town with around 450 inhabitants. It lies at the innermost part of the Aurlandsfjord, which forms part of the 204 km long Sognefjord. Surrounded by steep mountains, roaring waterfalls and green valleys, Norway's unique landscapes are presented here, leaving the visitor in awe. Flam is also Norway's busiest cruise port. The Flam Railway starts not far from the ship, a convenient way to take an impressive trip to the beauties of nature. It twists between Fjords and the sea spectacularly up the mountain. One can also hike on one of the different trails on an individual discovery tour.

**Sun 25 Aug – At sea**

Enjoy your last day aboard. Don't miss out to shop for variety name-branded items and some last-minute duty-free shopping. You will be instructed to leave your luggage outside your stateroom by midnight, as bags will be transported ashore by the ship's personnel early next morning.

**Mon 26 Aug – Disembarkation & Return Flight**

Enjoy your last breakfast on board, as your scenic holiday comes to an end. A private coach will take you to Bremen airport for check-in to your return flight.

The ship's animators will be organizing varied activities by the pool deck and other lounges (kindly consult your ship's daily program for timings).

### Wed 26 Jun - Reykjavik

As you enter the beautiful city of Reykjavik, today you will be able to explore Iceland's amazing landscapes forged by glaciers, geysers, and volcanoes. We suggest you to include a tour to the magnificent Gullfoss waterfall, the spectacular Geysir geothermal area or treat yourself to a trip to the Blue Lagoon, a luxurious spa that is one of Iceland's most popular destinations. With steamy, mineral-rich water harvested from beneath the earth, it's the perfect place to relieve stress and tension in an idyllic backdrop.

### Thu 27 Jun - Isafjordur

Cruises to Isafjordur, Iceland, will take you to the country's northernmost peninsula, a place call Hornstrandir. This is Iceland's most remote region, a natural reserve full of small hiking trails with breathtaking panoramic views. Isafjordur sits on the shores of the Skutulsfjörður Fjord and is the gateway to the many natural wonders that have made the

Westfjords famous. "Isafjordur" translates into "fjord of ice." The town is known for its fishing, backpacking, fine dining and cool cafés. It's a spectacular destination with vast, uncharted spaces where you can decompress and find that Nordic stillness many travelers seek on a cruise to Iceland. Relaxing is undoubtedly one of the best things to do in Isafjordur, Iceland.

### Fri 28 Jun - Seydisfjordur

There are numerous ways to experience Seydisfjordur's interesting natural features and lush landscapes: hike in and around this cultural capital and see what makes this very small city so great. Located in the east of Iceland, cruises to Seydisfjordur boast beautiful waterfalls, plenty of wildlife, a Maritime Museum and much more. Your Seydisfjordur, Iceland, vacation is not complete without a walk down Rainbow Street.

### Sat 29 Jun - Akureyri

Situated at the head of Eyjafjordur, Iceland's longest fjord, the first thing you will notice is the backdrop of dramatic snow-covered mountains. Take a stroll through the Old Town and admire the 19th century turf houses. Sample some authentic Icelandic cuisine, or warm up in the steaming Akureyri Thermal Pool. Around the corner, you will find Akureyri's basalt church. Akureyrarkirkja, with its striking, futuristic façade. Iceland cruises give you access to stroll through Lystigardurinn, the northernmost botanical garden in the world, and breathe in the fresh air and the scent of wild arctic flowers.

### Sun 30 Jun - At Sea

Dining onboard is not just about food. Think ambience, variety, and the flexibility to decide when and what you savour. From

confectionery delights to California rolls, finger foods to a five-course gourmet meal, a Royal Caribbean cruise is a journey of culinary discovery. The innovative chefs, each trained and certified, will take your palate global with a line-up of complimentary and speciality options.

**Mon 01 Jul – Lerwick**

The rhythm of the small capital of Shetland beats to the gentle pace of fishing. On arriving at Lerwick harbour you'll see Fort Charlotte and, outside the city, the Tower of Clickimin Broch. Take a nice walk in the surrounding hills, where maybe you'll meet locals dressed as Vikings. Treat yourself to a visit to the city's Museum of History and Geology and don't leave Lerwick without tasting the excellent seafood.

**Tue 02 Jul – Inverness, Loch Ness**

The Scottish Highlands are home to famous battles, historic castles and to an even more famous legendary sea monster: Nessie of Loch Ness. Explore Inverness' picturesque riverside on foot. You'll pass by the 18th-century Old High Church and the Castle of Inverness, built of red sandstone in 1863 on the site of an 11th-century fortress. Join

a Loch Ness cruise to explore Culloden Battlefield, a windswept moor where the Jacobite's last stand took place in the 1760s. Before you depart, toast your adventure with a wee dram of single-malt Scotch whisky.

**Wed 03 Jul – Edinburgh**

Edinburgh is home to hills, history and haggis.

Explore Edinburgh's Old Town, admire the views of Edinburgh Castle from Princes St Gardens, Calton Hill and Grassmarket. Here, you'll find Edinburgh Castle, perched atop the dormant volcanic cliff of Castle Rock - the spot has been a defence outpost since the second century A.D. Then, head to St. Giles Cathedral, an elaborate Gothic church that served as a focal point of the Scottish Reformation in the 1500s. The city's New Town is equally worth a visit. Peruse the Scottish National Portrait Gallery, and climb the Scott Monument

**Thu 04 Jul – At sea**

Enjoy your last day aboard. Don't miss out to shop for variety name-branded items and some last-minute duty-free shopping. You will be instructed to leave your luggage outside your stateroom by midnight, as bags will be transported ashore by the ship's personnel early next morning.

**Fri 05 Jul – Disembarkation & Return Flight**

Enjoy your last breakfast on board, as your scenic holiday comes to an end. A private coach will take you to Amsterdam airport for check in on Air Malta flight.

### Day 01 - Flight & Embarkation

Meet your tour leader at Malta international airport to check in for your flight to Treviso. Upon arrival, collect your luggage and proceed to your coach. Private transfer to Trieste port to embark on the Mein Schiff 6.

### Day 02 - At Sea

Enjoy your first day at sea on board this marvellous ship. Discover the spacious sunny areas of the Mein Schiff 6. Whether it's a sun lounger, hammock, pool or relaxation lodges - there are great retreats waiting for you to feel good!

### Day 03 - Bari, Italy

From Bari port you shall proceed to Alberobello, declared Unesco World Heritage site in 1996. You shall cross the town by walk to proceed along the national road in the middle of the Apulian countryside scattered with "trulli". The ancient site, typical for its houses built in stones, used as animal stables and today transformed into family cottages where inhabitants run their trades activities. Your visit will give the opportunity to experience the reality of the village, knowing better the people and their life style. These constructions named "trulli" date back of VI and VII centuries. The typical cone shape roof has made them so peculiar that Unesco consider the old part of the village as monumental patrimony. You will have some free time to walk in the alleys and the tiny village before boarding the coach and driving back to the port.

### Day 04 - Kotor, Montenegro

On your way to Budva you shall have a stop near the unique little island town of Sveti Stefan, connected to the shore by a causeway and crammed full of terracotta-

roofed stone dwellings. Gazing down on Sveti Stefan provides the biggest 'wow' moment on the entire coast but taking a photo is all you can do, as this tiny island is now the luxurious Aman resort, off limits to all but paying guests. You continue to Budva which is a vibrant coastal city with a modern flair. The old city of Budva is a small labyrinth of narrow lanes and we walk close to the Citadela, an ancient castle and the most significant fortification building of the Montenegrin Coast. Enjoy some free time discovering what this town has to offer: from a lively promenade filled with colourful coffee places and restaurants to old town filled with charming and tasteful souvenir shops. Back in Kotor, follow your guide on a walking tour of the city which boasts of Venetians architectural influences and is surrounded by an impressive, well preserved city wall protected by UNESCO. Once in Kotor you will soon see why the town was deemed a World Heritage Site as it offers its visitors a remarkably well-preserved town centre with important buildings such as the cathedral of Sveti Tripun. Savour the beautiful atmosphere of this true gem of town before returning back by tender boat to your ship.

### Day 05 - Dubrovnik, Croatia

You start your excursion with a short 15-minute drive from the port of Dubrovnik to the Old Town where you have a short guided tour of the city, a city of unique beauty and harmony, spread out on the stone rocks and cliffs descending into the embrace of the sea and the waves. The main street is known as the Stradun and many of the city's attractions are right here, including several monasteries, and the elegant 16th century Venetian Gothic Sponza Palace, once the city's Custom House and notable for its fine courtyard columns and elaborate

stone carvings. Dubrovnik's famed symbol of freedom, a carved figure of an armoured knight, adorns the Orlando Column in a nearby square. After the walking tour you can enjoy some free time for souvenir shopping.

**Day 06 – Split, Croatia**

You will drive along the Dalmatian coast until you reach Trogir which is located on a small islet between the mainland of Croatia and the island of Ciovo. The historical center of Trogir is a unique monument of culture and is included on UNESCO's World Heritage List. You will walk with your guide through its narrow streets, taking you back in history as you pass stone houses, churches, palaces, monasteries, and city walls. You will stop at the main attraction of Trogir, the St. Lawrence Cathedral. Take time to enjoy the beauty of the Romanesque portal created by the local artist

Radovan. You then proceed to Split, Croatia where you shall admire the Diocletian's Palace from the outside, which is located in the heart of Split and is on UNESCO's World Heritage list. This palace is one of the largest Roman buildings which is still in use today. You will see one of the oldest cathedrals in the world, the Cathedral of St. Duje (Split's patron Saint). You will also see the former temple of Jupiter which is now used as a baptistery. Your local guide will also show you one part of the old

town. Return to Split port.

**Day 07 – Day At Sea**

Your last day to stroll around the ship enjoying a cocktail and indulging in one of the restaurants offered on board.

**Day 08 – Disembarkation & Flight**

Disembarkation and transfer to the Treviso airport to check in for your flight back to Malta.

Tracy Arm Fjord extends over 30 miles alongside the wilderness of Tongass National Forest. Sailing through this deep and narrow passage delivers some of the most breath-taking scenery you'll find in Alaska. See active glaciers carved into 7,000-foot-tall mountain peaks and plunging waterfalls burrowed into evergreen-clad cliffs. Glimpse native wildlife and watch deep blue icebergs float past the ship. See pigeon guillemots, kittiwakes and arctic terns. Mountain goats graze on rocky slopes, while new-born seal pups sun on ice floes. While most glaciers tend to thin and retreat, Hubbard Glacier continues to thicken and actively advance toward the Gulf of Alaska, earning the nickname "Gallop-ing Glacier". Then, stroll down to KLCC Park and walk around its man-made lake and fountain backdropped by the modern skyline. Or see the Moorish architecture of Jamek Mosque, situated at the crossing of the Klang and Gombak rivers.

#### Mon 25 Nov & Tue 26 Nov - Penang

Penang is rich in diverse cultural influences thanks to its history as a trading centre between India, China, Britain, and the Middle East. Head to historic George Town, the island's capital city,

where bicycles and trishaws (three-wheeled, pedal-powered vehicles) dart along narrow streets lined with mural-adorned buildings and varied architecture. Cruise to Penang to step into the oldest Anglican church in Southeast Asia at St. George's or check out the Kapitan Keling Mosque. Then, take the tram up to the cooler, minty-fresh air of Penang Hill - walk through the bird sanctuary or one of the nature trails and take in views of the city below and the mountains in the distance.

#### Wed 27 Nov - Phuket

The island of Phuket (pronounced "Poo-ker") is often called the Pearl of Thailand. Head to the nearby Karon Viewpoint for unparalleled views of the Andaman Sea and the area's lush mountainous landscape. In town, see the Big Buddha of Phuket, the white marble likeness of the holy figure stands 45 meters tall, or hike up to the statue itself, which is surprisingly uncrowded. **Sun 01 Dec – Colombo**

Sri Lanka's captivating capital is an eye-opening introduction to one of travel's best-kept secrets.

Stop at Gangaramaya Temple, and marvel at endless rows of Buddha images or thick, twisty Bodhisattva trees adorned with colourful sashes; step inside the vermilion facade of Jami Ul-Alfar Mosque, whether to enjoy a moment of silence or look in on harmonious unison of the call to prayer. Slip off your shoes and sink your toes into the golden sand of Colombo's Galle Face Green beach and enjoy the famously strong sea breeze rustling through your hair. Head to Pettah Market, near Colombo Railway Station, for the city's most authentic shopping experience. Browse colourful Sri Lankan Raksha masks, which are said to ward off evil, or sample some of the island's finest Ceylon tea.

**Mon 02 Dec & Tue 03 Dec – Cochin**

This port city offers a picturesque, seaside stop unlike any other ports. With influences from British, Dutch, and Portuguese settlement over the past 500 or so years, Cochin feels especially global, whether you're stopping for coffee at the local Kashi Art Cafe or touring

Fort Kochi on your own. See the famous Chinese fishing nets, one of the most photographable spots in Cochin, and peruse the catches of the day with the local fishermen. Or take an excursion beyond Kochi to Alappuzha during your Cochin cruise, indulging in thali and kebabs after a day's boat ride on the Arabian Sea. Luckily, Cochin itself is pretty walkable, and most sights are close to one another. Less bustling than Mumbai, Cochin retains a small town charm ideal for unhurried exploration.

**Wed 04 Dec – At sea**

Today shall be another day at sea and so another day to relax and unwind! Sun worshippers may lay down on a sun-bed or deck chair by the pool lapping in the sun. JOURNEYS

*We are pleased to introduce to you...*

Explora Journeys is the new luxury lifestyle travel brand launched by the MSC Group with the ambition to redefine the luxury cruise category.

The concept: Vibrant, cosmopolitan, relaxed European luxury at sea. Instead of cruises, we create journeys - of the mind, and across the oceans of the world. Visits to places on and off the beaten track.

On Board: Spaces that offer guests relaxed luxury, creating a home at sea. Restoring life's essential balance with a combination of discovery and appreciation for well-being and nature. This is what our new discerning travellers have asked for and this is what they will enjoy on Explora Journeys.
